

ALBERTUS MAGNUS COLLEGE

VICE PRESIDENT FOR FINANCE & TREASURER

March 16, 2009

To Whom It May Concern:

I have known and worked closely with Mr. Chris A. DeAngelis for approximately the past five years. He has worked on many of the projects here at the College including new parking lots, drainage systems, and a new building to house the maintenance department. He is extremely qualified, and has always exhibited a professional attitude. His work has benefited this institution immeasurably and when future projects arise he will be contacted to assist the College with those projects. Chris's personality, strong work ethic and sense of humor make him a pleasure to work with, but his talents as an engineer are superb.

I highly recommend Mr. Christopher DeAngelis I know he will be an asset to whatever project he becomes involved with. If you have further questions, please feel free to contact me at (203) 773-8516 and I will be happy to answer them.

Sincerely,

Jeanne Mann
